Waitin, watchin the clock, it's four o'clock, it's got to stop

Tell him, take no more, she practices her speech

As he opens the door, she rolls over...

Pretends to sleep as he looks her over

She lies and says she's in love with him, can't find a better man

She dreams in color, she dreams in red, can't find a better man

Can't find a better man

Talkin to herself, there's no one else who needs to know

She tells herself, oh...

Memories, back when she was bold and strong

And waiting for the world to...come along

Swears she knew it, she swears he's gone

She lies and says she's in love with him, can't find a better man

She dreams in color, she dreams in red, can't find a better man

She lies and says she still loves him, can't find a better man

She dreams in color, she dreams in red, can't find a better man

Can't find a better man

Can't find a better man

She loved him...she don't want to leave this way

She feeds him...that's why she'll be back again

Can't find a better man (can't find a better man)

Can't find a better man (can't find a better man)
