[Verse 1:]

Ohh come sit by me.
Tell me what you know
About how you feel
What does love mean

[Chorus:]

Does it mean you care for someone?
Can it be a thing you like?
Just speak out and tell me
What love means?

[Verse 2:]

Ohhhhh just whisper.
One thing now.
I have got to learn.
Bout some things in life

[Chorus:]

Does it mean you care for someone?
Can it be a thing you like?
Just speak out and tell me
What love means?

[Verse 3:]

1 (piano/guitar/drums) ohhhhhhhhhhhhhhhhhhhhh
2 (singer) what does love mean?
Come and tell me
What does love mean?
What does love mean?
