These kids, they have nowhere else to go
So they come to us
But soon we will be leaving on our own
It's a desperate road

Tell the neighbors on me
Whispers in the room
Be careful not to find me
I'll be coming soon

Now I sit by your side (Now I sit by your side)
Seeing my name in lights (Seeing my name in lights)
Now I sit by your side (Now I sit by your side)
Wondering why
Wondering why I say whoah

All night I stare up at the sky
To fill the void
To fill the void
What a sad sight when I come crashing down
With all my boys
With all my boys

tell the neighbors on me
Whispers in the room
Be careful not to find me
I'll be coming soon

Now I sit by your side (Now I sit by your side)
Seeing my name in lights (Seeing my name in lights)
And now I sit by your side (Now I sit by your side)
Wondering why
Wondering why I say whoah

To leave this alone would be criminal
To leave you alone would be criminal
To leave, to leave

And now I sit by your side (Now I sit by your side)
Seeing my name in lights (Seeing my name in lights)
Wondering why

Wondering why
