Out in the cold  
This was your first time  
Retribution was sold  
Beneath the land mines  
Bitter and old  
A steady valentine  
Sex, lies fortold  
Beneath the street signs

Christine!

The all nighter  
Wreaking havoc you're lighting off fires  
Sell your body off!  
Sell your body off!  
Sell your body off whoa oh oh christine

In the hallway, in the school yard  
I watched you for days and days and days  
New boyfriends, new dull trends  
External love likely to disipate

Christine!

The all nighter  
Wreaking havoc you're lighting off fires  
Sell your body off!  
Sell your body off!  
Sell your body off whoa oh oh christine

What coulda fucked you up so bad  
Was it having a father, having a father like that  
Don't take it out on me  
I'm not one for deceit

Who were you sleeping with last night, christine  
Who were you sleeping with last night, christine  
Who were you sleeping with last night, christine  
Who were you sleeping with last night

Christine!

The all nighter  
Wreaking havoc you're lighting all fires  
Sell your body off!  
Sell your body off!  
Sell your body off whoa oh oh christine

Whoa oh woah oh oh  
Whoa oh whoa oh oh  
Whoa oh whoa oh oh  
Whoa oh whoa ohhh
