Later on
Later on I'll sing for you
And so it is
Your parents tell you what to do

All day
And every night
You are ripping appart at the seems
I'm telling you
Every one wants what you leave
It's eventual
Ripping appart at the

Sing to me
And the quick of the night
As everyone sleeps
So walking with the girl
Prom queen
She's leading me in
To all her fantasies

So bite my time
The singer in going with you
A little piece of mind
The singer sings nothing new

Yeah
You are ripping appart at the seems
It's eventual

Ripping appart at the

Sing to me
And the quick of the night
As everyone sleeps
So walking with the girl
Prom queen
She's leading me in
To all her fantasies

Yeah

Yeah

Sing to me
And the quick of the night
As everyone sleeps
So walking with the girl
Prom queen
She's leading me in
To all her fantasies

Sing to me
And the quick of the night
As everyone sleeps
So walking with the girl
Prom queen
She's leading me in
To all her fantasies
Me in to all her fantasies
Me in to all her fantasies
