I feel a burning
Deep inside of me
I feel Your spirit
It's moving around me

I hear Your voice
You're calling me closer
I know that You're here
You're calling me closer, and I will

Love You with all of my heart
Jesus I'll love You with all of my mind
Jesus I'll love You with all of my soul
Jesus I'll love You with all that I am

I know that You hear me
When I say my prayers
I know that You're with me
Even when I'm all alone

When I close my eyes
You're calling me closer
When I pull away
You're pulling me closer, and I will

Love You with all of my heart
Jesus I'll love You with all of my mind
Jesus I'll love You with all of my soul
Jesus I'll love You with all that I am

You are Holy Lord God Almighty
You are Holy Lord God Almighty

Was and is and soon will come
Was and is and soon will come
Was and is and soon will come
Was and is and soon will come

Lord You are
And now You're come again, You're coming again
Just like You said
You're coming again, and I will

Love You with all of my heart
Jesus I'll love You with all of my mind
Jesus I'll love You with all of my soul
Jesus I'll love You with all that I am

Jesus I'll love You with all that I am
Jesus I'll love You with all that I am
