Everywhere, everyday  
All we hear is  
All we hear is wait  
It's not your time  
Just get back in line

And they can try to knock us down  
We've got our feet nailed to the ground  
If you wanna count us out, go ahead  
But it's not over yet

We won't back down  
We gotta take our best shot  
Give it all we got now

We won't back down  
They say we'll never make it  
But we're gonna take it all the way

We won't give up  
We won't give up  
We won't give up  
We won't give up

And with the clock running down  
We're gonna leave our fears  
And failures all behind, this is our time  
We'll reach till we touch the sky

We won't back down  
We gotta take our best shot  
And give it all we got now

We won't back down  
They say we'll never make it  
But we're gonna take it all the way

We won't give up  
We won't give up  
We won't give up  
We won't give up

We won't give up  
We won't give up  
We won't give up  
We won't give up

We won't hold back  
And we won't slow down the pace  
We won't let go  
And we won't call off the chase

We won't back down  
We gotta take our best shot  
And give it all we got now

We won't back down  
They say we'll never make it  
But we're gonna take it all the way

We won't give up  
We won't give up  
We won't give up  
We won't give up

We won't give up  
We won't give up  
We won't give up  
We won't give up

We won't give up  
We won't give up  
We won't give up  
We won't give up

We won't give up  
We won't give up  
They say we'll never make it  
But we're gonna take it all the way

We won't give up  
We won't give up
