My heart is as frail as a dove
And my spirit is as weak as a rose
See my sorrow, feel my pain
You're my refuge, You're my reason
My strength in this beautiful place
That's where I find God
That's where I find God
You're in my heart, You're in my soul
You are my heaven, You're my home
You're my best friend, You're my true love
You are my treasure, You're my God

I watch as the mountains fall down
And the rivers part at your feet
Your creation sings Your praise
Even wings obey and angels bow down
At Your beautiful voice
That's where I find God
You're in my heart, You're in my soul
You are my heaven, You're my home
You're my best friend, You're my true love
You are my treasure, You're my God

You're in my heart, You're in my soul
You are my heaven, You're my home
You're my best friend, You're my true love
You are my treasure, You're my God
You are my peace, You are my joy
You are my Savior, You're my God
