Forget what has been  
in this crazy thing  
psychotic minds and souls  
all that I see  
all the glory to me  
golden and silver coins

right through the devil  
straight to the bank  
face to the magazine

eyes cannot see  
ears cannot hear  
I'm used to this routine  
yes, I'm used to this routine

it's the truth  
we're gonna lose  
and it's the light  
we're gonna find

it's the truth  
we're gonna lose  
and it's the light  
we're gonna find  
whoa, whoa

under the sun  
below in the dust  
you and I, full of lust

all that I see  
all the glory to me  
I know it will never be  
we know it could never be

it's the truth  
we're going to lose  
and that's the light  
we're going to find

it's the truth

we're going to lose  
and it's the lie  
we're going to buy

we're doing it right  
tonight is the night  
you're on the bottom  
and I am on the top  
on top of the world  
climbing, climbing  
trying to hide  
climbing, climbing

we're doing it right  
tonight is the night  
I'm on the bottom  
and you are on top  
on top of the world  
climbing, climbing  
trying to hide  
climbing, climbing

doing it right  
we're doing it right  
we're doing it right  
we're doing it right  
doing it right
