Last chance to let you know this, my story  
I'm the one who wants to live in the glory  
make the money, have the friends of my own  
but never fall in love

look around for the face that I know  
maybe one'll play in bass at the show  
kinda cute with your boots a go-go  
angel from above

oh my dear, it's so difficult now  
every time I see your face in the crowd  
I can tell you that I'm fooling around  
but I'm in love with you

stars will fall and I will make all my wishes  
I will ask for english cars and cool dresses  
maybe I will even mention you  
'cause I'm in love with you

you could lose your head, your hair, or your nose  
I'll still love you as the romantic prose  
I would give my whole life to you  
'cause I'm in love with you

oh my dear, it's so difficult now  
every time I see your face in the crowd  
I can tell you that I'm fooling around  
but I'm in love with you

oh my dear, it's so difficult now  
with you  
every time I see a face in the crowd  
it's you  
I'm in love with you

(oh my dear it's so difficult now)  
I'm in love with you  
I'm in love with you  
(every time i see a face in the crowd)  
I'm in love with you  
I'm in love with you

I'm in love with you
