She looks at the world through her glasses
and all she sees dirty big spot
she goes out with two foreign guys
and she likes it

she takes her daddy's money
she spends it on, well, junk
she goes out with different girls

if you ask what she wants
she'll tell you that she is tired to want
if you ask her what she desires
she'll tell you that she's tired to desire

today is just another day
she's looking good
she knows she has nothing to say
and she likes it

tonight is just another night
and she is looking good
she gives herself a couple more years
and she hates it

if you ask what she wants
she'll tell you that she is tired to want
if you ask her what she desires
she'll tell you that she's tired to desire

she doesn't want to save the world
she doesn't want to save her soul
she doesn't want to save the world
she doesn't want to save her soul
she doesn't care

ah, and she likes it
oh, she likes it
yeah, she likes it
oh, she likes it

ah...
