Personal War "My Life To You"

There was no sympathy No way to escape And nothing mattered Behold the final day Confusion and fear The few were gathered

How many steps are there left to go How many miles to the land

The bringer of light walks among us Trading a promise Betrayal is your gift My life for you

And so they wandered
Their journey began
A search not granted
But eyes did watch them
A none human shape
Flew 'cross the mountains

Chaos
Burning
Meltdown
Nightfall
Fusion
Breakdown
