Look ahead as we fast try to focus on it
I won't be fooled by a cheap cinematic trick
It must have been just a cardboard cut out of a man
Top forty cast off from the record stand

Walking in LA
Walking in LA
Nobody walks in LA
Walking in LA
Walkin in LA
Nobody walks in LA

I don't know could have been a lame jogger maybe
or someone just about to do the freeway strangler baby
Shopping cart pusher or maybe someone groovy
One things for sure he isn't starrin in a movie coz he's

Walking in LA
Walking in LA
Nobody walks in LA
Walking in LA
Walkin in LA
Nobody walks in LA

You won't see a cop walkin on the beat
You only see him drivin cars on the street
You won't see a kid walkin home from school
Their mothers pick them up in a car pool

Walking in LA
Walking in LA
Nobody walks in LA
Walking in LA
Walkin in LA
Nobody walks in LA

Could it be the smog's playing tricks on my eyes
Or it's a rollerskater in some kind of headphone
disguise
Maybe somebody who just ran out of gas
Makin his way back to the pumps the best way he can

Walking in LA
Walking in LA
Nobody walks in LA
Walking in LA
Walkin in LA
Nobody walks in LA
