Life is so strange  
When you don't know  
How can you tell  
Where you're going to?  
You can't be sure of any situation  
something could change  
and then you won't know

Where do we go from here?  
It seems so all too near  
Just as far beyond as i can see  
I still don't know what this all means to me

I don't know where to go  
I don't know what to do  
And i don't even know the time of day  
I guess it doesn't matter anyway

life is so strange  
Destination unknown  
When you don't know  
your destination  
Something could change  
It's unknown  
and then you won't know  
Destination Unknown

When will my time come?  
Has it all been said and done?  
I know i'll leave when it's my time to go  
Til then i'll carry on with what i know

life is so strange  
Destination unknown  
When you don't know  
your destination  
Something could change  
It's unknown  
and then you won't know  
Destination Unknown

Life is so strange

Life is so strange  
Life is so strange  
Life is so strange  
Life is so strange  
Life is so strange  
Life is so strange
