Missing Persons: It ain't none of you business.

Lyrics:

Don't tell me what to do  
And don't you ask me where Iâ'm going to  
I, have to do what's right for me  
Why is that so hard for you to see?  
Trying to get along with you, is not an easy thing to do  
Your suspicious nature drives me mad  
You're wrecking everything that we had  
It ain't none of your business  
Where Iâ'm going  
It ain't none of your business  
Who Iâ'm seeing  
It ain't none of your business  
So stop fooling around with my life  
You can't possibly know what it's like  
to be, inside of me  
I'm on my own why can't you just leave me alone?

I have always trusted you  
If I can do it you can too  
What I do is my concern  
Now you're just gonna have to learn  
It ain't none of your business  
Where Iâ'm going  
It ain't none of your business  
Who Iâ'm seeing  
It ain't none of your business  
What Iâ'm doing  
It ain't none of your business  
It ain'tâ'tâ...

You've got to take me serious  
You're making me delirious  
I feel like someone who's in jail  
Now let go of my shirt tail  
This kind of thing has got to stop  
Relationship is on the rocks  
I can't take it anymore  
You're driving me right out of the door

it ain't none of your business  
Where Iâ'm going  
It ain't none of your business  
Who Iâ'm seeing  
It ain't none of your business  
What Iâ'm doing  
It ain't none of your business  
It ain'tâ...  
It ain't none of your business  
It ain't none of your business  
It ain't none of your business  
It ain't none of your business  
It ain't none of your business  
It ain't none of your business  
It ain'tâ... â...none of your business.
