Ole Buddah coming at your life  
Direct with the biggest fattest joint  
Coming in with indo flavors  
From Buddha, comin' at you like this in '95

It's Friday morning, where the weed at?  
Let me dip into my pocket for my fat weed sack  
'Cause I wanna get high like a plane  
In the sky with the indo cloud in my brain

Where the fuck are my Zig Zags and my lighter?  
So I can roll it and set it on fire  
Damn, I wish I had scissors 'cause the shit is so sticky  
That it's getting on my fuckin' fingers

But it's smoke-able, double tokable  
I got the one-hitter  
And the Bombay shit that's tokable  
I wanna do a joint venture

Let me make sure there ain't no lump  
In the goddamn center  
The impregnated-looking joint, fuck it  
I can smoke it and still get faded

Roll it up, light it up, smoke it up, inhale, exhale  
Roll it up, light it up, smoke it up, inhale, exhale  
Roll it up, light it up, smoke it up, inhale, exhale  
Roll it up, light it up, smoke it up, inhale, exhale

I'm the freaka, the one who freaks the funk  
I'm the freaka, the one who freaks the funk  
I'm the freaka, the one who freaks the funk  
I'm the freaka, the one who freaks the funk

East Coast hittin' that blunt West Coast  
Hittin' that honey-dipped marijuana joint  
And I want another hit, roll it up, light it up, smoke it up  
I wanna stimulate my mind so I toke it up

Can I get a hit, can I get a woo?  
Gimme that fat bag of weed and the broom

So I can get faded, elevated  
Smoked the joint down with my bro's and I ate it

I stand true to the yesca  
(Mota)  
As I keep runnin' from the chota  
Gimme that weed, fool, and your Zig Zags  
Puto, don't be holdin' out on the big bag

Roll it up, light it up, smoke it up, inhale, exhale  
Roll it up, light it up, smoke it up, inhale, exhale  
Roll it up, light it up, smoke it up, inhale, exhale  
Roll it up, light it up, smoke it up, inhale, exhale

I'm the freaka, the one who freaks the funk  
I'm the freaka, the one who freaks the funk  
I'm the freaka, the one who freaks the funk  
I'm the freaka, the one who freaks the funk
