weeeeeeed (smoke weed)

blazin' up on them endo, for my, Khmer Empire to rise  
spit my rhyme about my life on this M.I.C. tonight  
rippin' through this show you know  
til all of your speakers blow  
bass stickin' up so high like me  
we need time to smoke the seed [repeat]

blazin' up on this buddha leaves  
when you get ready to blow  
im about to start this shit off  
lettin' all you suckas know  
when I'm comin' down with the green and shock my  
own Khmer yeah we roll  
fo sho we the braziest Khmer pride up inside Chi-town  
say ho  
when I bust my flow, I let it off on a roll, fo sho  
we the truest blooded Khmer pride up inside yo studio  
creepin' fo my enemy, you know what I really need  
bust them fo, get high, my seed, my game is about the  
red and green  
we cruisin' up and down the street, hittin' up on some  
grubs to eat  
rollin' up the windows, so the weeeed, will proceed  
keep kick inside my mind, every..time I wanna breathe  
fallin' back up on the seat, no one made much plans for  
weed  
let my peeps go up in smoke, took me seven years to  
choke  
my rhymes comin' up tonight, my homeboy Mecc right  
by my side  
remind me of the time when we was, up on the roof  
blazin' up on them leaves blowin' back and forth,  
proceed  
my homeboy smokin' a big ol' blunt, me and Mecc went  
ridin' crunk  
weeeeed, up on in the trunk, blazin' up on this flamin'  
blunt  
happy anniversary, my true Khmer Empirety  
we gettin' messed up tonight, that's right, don't wanna

fight, lets ride  
later up the side, gettin', radiator all the night  
the party's jumpin' up and down Mothina nigga u gettin'  
high  
my homegirl Jenny makes me laugh, when I'm feelin'  
low that's right  
I wanna give you sumthin', but ill wait til after the show  
tonight

blazin' up on them endo, for my, Khmer Empire to rise  
spit my rhyme about my life on this M.I.C. tonight  
rippin' through this show you know  
til all of your speakers blow  
bass stickin' up so high like weed  
we need time to smoke the seed [repeat]

keep my game, one time, my rhyme, my lyrics explode  
to the end of time my skills will never end until the  
world is rewind  
re-incarnation sends me back to live this life  
when my rhymes explodes 3 universe, then I shall die  
the Kingdom of Cambodia, my peeps I'm really feelin'  
ya  
the pain remains, but time wont stay, so best be on yo  
way today  
move up on the head and get the rights a client  
needed  
play along wit the game of the world and then you  
proceed  
to smoke weeeeeeeed

blazin' up on them endo, for my, Khmer Empire to rise  
spit my rhyme about my life on this M.I.C. tonight  
rippin' through this show you know  
til all of your speakers blow  
bass stickin' up so high like weed  
we need time to smoke the seed [repeat]  
weeeeeeeeeed [smoke weed] [repeat 4X's]  
blazin' up on them endo, for my, Khmer Empire to rise  
spit my rhyme about my life on this M.I.C. tonight  
rippin' through this show you know  
til all of your speakers blow  
bass stickin' up so high like weed  
we need time to smoke the seed [repeat]  
weeeeeeeeeed smoke [until fade]
