Mira Joven si busco a alguien, que mueva producto
Pero que lo mueva con madre
Pos sabes que compa? Yo aqui, en el norte yo soy
El que controla yo te lo puedo mover todo 80, 100
pajaros a la semana
Te traemos toda la feria y limpio ese
Pues bueno, aqui tenemos un negocio vamos hacer un
bojitos
Tomamos no? Del gusano
Pa la salud
Pa la salud! Primero yo
Primero usted
Grrrrrah
Cometelo

Word up, Tequila style, eat the worm motherfucker
Tequila spice, hot nice
Feeling right, sipping on Jose Cuervo, down in Tiajuana,
Mexico
Thinking of the big score the night before met the
connect
Who was impressively dressed in high fabrics
With troops like Babe Ruth, up on the Mezzanine
Brandishing sub-machine guns, aye-yo
It's all about the money, son, now that's the only reason

We came south of the border, to complete this work
order
We gotta get it, no looking back, going all out for it
Ready to attack, die in a minute flat for it
As God is my witness, we got ditches
For all you motherfuckin' fake bitches
It all boils down to the business
Nothing personal, when niggaz acting like they helping
you
I fuckin' blast you like Frank Castle, motherfucker!

Tequila Sunrise, bloodshot eyes
Realize we're all born to die
So get the money nigga!

Tequila Sunrise, bloodshot eyes

Realize we're all born to die
So get the money nigga!

I never knew money like this, in the palm of my hand
'Til I met the man with mad hook-up, and big plan
Every where you look'a, he got everybody shook up
Running for cover, the big bad woof, motherfucker
He was like a father figure, show me the bigger picture
Fuck slangin' on the corner, don't let the pigs get you
Not like these fools who don't comprehend
You end up doing a twenty-five bid in the pen

You got that? Getting your cup, I took a swig
The bitter taste of the 'Mezcal', free worm shit
Droppin' a lesson, he slapped my face, he said listen
Pay attention brother, you're my ace, but don't ever
question
Just do what I say, and you'll be rich
And keep this in your mind, rats lay in a ditch with no
spine
Don't ever forget that golden rule in the game
Cheers, they all know your name, it's like fame

Why, women and money don't mix, like drinking an'
driving
Watch those conniving women and keep your eye out
Always be aware of what's around you
They wanna down you, and fuckin' clown you
Keep your shit in order the money won't stop
Pretty soon you'll be on top

Tequila Sunrise, bloodshot eyes
Realize we're all born to die
So get the money nigga!

Tequila Sunrise, bloodshot eyes
Realize we're all born to die
So get the money nigga!

Tequila Sunrise, with the bloodshot eyes
My, my, my, how time flies and goes by surprise
My mentor passed on and passed a warn to me,
emergency
For my enemies who wanna murder me
Eat the worm, motherfucker, while you burn,
motherfucker
Better kill me, don't let me return, motherfucker

Trust no man, 'cause I'll be back, you understand?
With a plan, and my ace in hand, I want it all
I recall the words from Jesus, you are the juice

Better go get it, don't let it get to your head, embed it
Let these words stick, you better be ready to die
Now take a fucking sip, caution it, but I never lie

Tequila Sunrise, bloodshot eyes
Realize we're all born to die
So get the money nigga!

Tequila Sunrise, bloodshot eyes
Realize we're all born to die
So get the money nigga!
