Humiliate yourself, on your knees again  
Purify the essence of the deity... experience  
The rush of divinity... chemical spirituality...  
Removes the existential pain of mortality

My god, my god!!!  
Bestow upon me the blessed Eucharist  
My arms extend!!!  
Waiting for the pain of holy penetration

On your knees again... offering your flesh  
Theology of personal destruction  
Respect upon the alter of denial  
You serve the god of hypocrisy  
The lord of all earthly desires

Stigmata my blood!!!  
Flowing from the self inflicted wounds of penitence  
Praying at the feet of the boy god that I serve!!!  
Praying at the feet of the boy god

Burn your God!  
Piously inject your sins!  
Religion of decadence

On your knees again... offering yourself  
Slowly erode into subservience  
Manipulated by the ultimate deceiver  
Justify the acts of depravity  
Committed in the name of God

Stigmata my blood!!!  
Flowing from the self inflicted wounds of penitence  
Praying at the feet of the boy god that I serve!!!  
Praying at the feet of the boy god
