Conception cursed with life! Born into this world
Despise the wretched whore outcast and denied!
Taught to hate this life!
Need to possess! Feed upon the lost! Stripped of
identity
Like flesh torn from bone.
Bodies bound and tied! Left to testify!
Apocalyptic prophecy scrawled in embryonic blood
Slaughtered as our sacrifice ripped apart to sanctify
Kill...Pigs...White pigs, rave war kill...Pigs....Rich pigs,
class war.
[repeat x2]
Charismatic psychopathic parasitic Lord..Parasite Lord!
Schizophrenic bastard savior feed upon his flesh...Feed
upon his flesh!

Benediction. Crucifixion kill the virgin child...Kill the
virgin child!
Gather your forces and prepare yourselves
For the time of the second coming is now at hand.
Apocalyptic prophecy scrawled in embryonic blood
Slaughtered as our sacrifice ripped apart to sanctify
Kill...Pigs...White pigs, rave war kill...Pigs....Rich pigs,
class war.
[repeat x2]
Forces collide! Dream realized! Orchestrate
destruction
Conduct the tribulation we will rise to kill! What we can't
control!
