she gave me,
she told me,
she wanted, things haunted,
three dozen,
red roses,
i could not, deliver, she said,
if you're my love,
why can't you give me what i want?

i left her,
for the florist,
to look for,
red roses,
but i found,
white lilies,
but i could,
not pick them,
she wanted more,
than i could ever give her,
i can not, live with her,
and i can not, live without her,
