Do it (do it do it do it...)

Do it (do it do it do it...)

Do it now (now...)

(do it do it do it...)

Do it now (now...)

How much longer are you gonna sit and talk to me?

You got so many problems and a split personality

You want to see a doctor before our love is tested

How much longer a man could get arrested?

If you wanna walk, don't talk, do it!

If you wanna earn, learn how d'ya do it!

If you wanna ride, don't hide, do it!

And if you wanna stay, don't say, prove it!

You've got your health, you've got everything, that's
what my

doctor said

You may not have much cash, but you've got a roof
over your

head

Of course I said I loved you, not just cause you insisted

How much longer a man could get arrested?

If you wanna walk, don't talk, do it!

If you wanna earn, learn how d'ya do it!

Oh babe why don't we do it now?

Why don't we do it now?

Oh babe why don't we do it now?

Why don't we do it

Now? (now now now...)

Do it (do it do it do it...)

Now (now now...)

Late on Tuesday evening, such a commotion in the
street

Someone broke a window, someone's head got beat

A wave of breaking bottles, crashed along the city
street

And someone got arrested, for a breach of the peace

If you wanna walk, don't talk, do it! (do it do it)
If you wanna earn, learn how to do it!
And if you wanna ride, don't hide, do it!
If you wanna stay, don't say, prove it!

Why don't we do it now?
Why don't we do it now?
Oh babe, why don't we do it now?
Why don't we do it now?
(Why we can't do it) Why don't we -
Do it now?
(Why we can't do it) Oh babe, why don't we do it now?
(Do it now?) Why don't we do it now?
Oh babe,
Oh babe, (Do it now?)
Tell me why don't we do it now?
(Do it now)
(You wanna walk - don't talk, and do it now)
(You wanna earn - learn, and do it now)
(You wanna ride - don't hide, and do it now)
(You wanna walk) Why don't we do it? Do it now?
(Don't talk) Do it, do it, do it now?
(You wanna earn) Why don't we do it? Do it now?
(Learn) Oh babe, why don't we do it now?
(You wanna ride) Do it, do it, do it now?
(Don't hide) Why don't we do it? Do it now?
