Maybe I didn't treat you, quite as good as I should
Maybe I didn't love you, quite as often as I could
Little things I should've said and done, I never took the
time
You were always on my mind
You were always on my mind
Maybe I didn't hold you all those lonely, lonely times
And I guess I never told you, I'm so happy that you're
mine
If I made you feel second best, I'm so sorry, I was blind
You were always on my mind
You were always on my mind
Tell me, tell me that your sweet love hasn't died
Give me one more chance to keep you satisfied
Satisfied
Little things I should've said and done, I never took the
time
You were always on my mind
You were always on my mind
Tell me, tell me that your sweet love hasn't died
Give me one more chance to keep you satisfied
You were always on my mind
You were always on my mind
You were always on my mind
You were always in my house
(You were always)
(Always)
(You were always)
(Always)
(You were always)
"You were always on my mind, it's true
I never thought of anyone else but you
You were on my mind and in my dreams
I should have stopped to make you see
You were always..."
(You were always)
"I worked so hard, I thought you knew,
My love, I did it all for you
I never really had the time
I guess you couldn't read my mind
You were always..."
(You were always)

(Always)
(You were always)

(Always)
(You were always)

(Always)
(You were always)

(Always)
(You were always)

(Always)
(You were always)

(Always)
(You were always)

(Always)
(You were always)

(Always)
(You were always)

(Always)
(You were always)

(Always)
(You were always)

(Always)
(You were always)

(Always)
(You were always)

(Always)
(You were always)

You were always on my mind

You were always on my mind

You were always on my mind

You were always on my mind

You were always on my mind

You were always on my mind

You were always on my mind

You were always on my mind

Maybe I didn't treat you quite as good as I should

Maybe I didn't love you quite as often as I could

Maybe I didn't hold you all those lonely, lonely times

And I guess I never told you, I'm so happy that you're

mine

(Maybe I didn't love you...)
