(Whisper whisper whisper whisper)
Whisper 'round the town,
'cause you're my friend and that's the end
For you're the only one in town
Who they will beg to hang around with
You're so beautiful and calm
But with an attitude that says:
"Hands-off, you're just not good enough"

Every boy, a man feeling lonely
Can't understand why you'd be with me
Furthermore, we laugh and we draw
More attention everyday, so they say:

(Girlfriend) Bet she's not your girlfriend, oh no,
(Oh oh oh Girlfriend) You've got to make her happy
(Oh oh oh Girlfriend) Bet she's not your girlfriend, oh
no,
(Oh oh oh Girlfriend) You've got to make her happy

Well, that is, maybe, in a way, but it's okay
We are touche', while they stare in front of us
They draw away, as if to say:
"Who are these people anyway?
How dare they confront us?"

Every boy, a man feeling lonely
Can't understand why you'd be with me
Furthermore, we laugh and we draw
More attention everyday, so they say:

(Girlfriend) Bet she's not your girlfriend, oh no,
(Oh oh oh Girlfriend) You've got to make her happy
(Oh oh oh Girlfriend) Bet she's not your girlfriend, oh
no,
(Oh oh oh Girlfriend) You've got to make her happy

Oh no no no
Oh no no no
(Girlfriend Oh oh oh Girlfriend
Oh oh oh Girlfriend Oh oh oh Girlfriend)

I'd rather die, than satisfy their curiosity
I'm kind of shy and dry, and verging on ugly
They wonder what that I have got, that they have not
They'll never understand that none of that matters

Every boy, a man feeling lonely
Can't understand why you'd be with me
Furthermore, we laugh and we draw
More attention everyday, so they say:

(Girlfriend) Bet she's not your girlfriend, oh no,
(Oh oh oh Girlfriend) You've got to make her happy
(Oh oh oh Girlfriend) Bet she's not your girlfriend, oh
no,
(Oh oh oh Girlfriend) You've got to make her happy

(Oh oh oh Girlfriend Oh oh oh Girlfriend
Oh oh oh Girlfriend)
Bet she's not your, bet she's not your,
Bet she's not your, bet she's not your,
(Oh oh oh Girlfriend)
Bet she's not your girlfriend, oh no

(Oh oh oh Girlfriend) Bet she's not your girlfriend
(Oh oh oh Girlfriend) You've got to make her happy
(Oh oh oh Girlfriend) Bet she's not your girlfriend
(Oh oh oh Girlfriend) You've got to make her happy Bet
she's not your girlfriend
