Right now...  
Right now...  
Right now..  
Right now.

Baby don't you worry  
I want to be the man that you want me to be

There's no need to worry  
I'm gonna give you love the way want it to be

I'll be there every morning baby  
To hold you tight  
And that's why baby  
You don't have to wonder why

I love you  
I need you  
Gotta have you  
I need you, right now!!!

Right now...  
Right now...  
Right now..  
Right now.

Break... for love

I'll be there every night  
To hold you and kiss till the morning light

I'll be there every morning baby  
To hold you tight  
And that's why baby  
You don't have to wonder why

I love you  
I need you  
Gotta have you

I need you, right now

I love you, I need you  
Gotta have you

I need you, right now!!!
