The girl's perfection  
Inspires affection  
It's queer  
That here  
He can't cast his spell  
In her direction  
Somewhere near  
One senses fear  
Casanova in Hell

The girl is naked  
The boy is naked  
He hides  
Inside  
A secret chamber  
There to gape  
Through a velvet drape  
And dream of rape  
Casanova in Hell

Her sharp suggestion  
He couldn't get an erection  
Came as a shock  
He finds himself  
A laughing-stock  
His ageing fate  
To contemplate  
Casanova in Hell

Back in the library  
His revenge is his story  
What he will write  
Will recall the bite  
Of his wit  
And legendary appetite  
The sybarite  
Casanova is well

For Casanova has the last laugh  
Creates the myth and vindication  
Of his sexual vocation  
Makes the definitive collection

His lives and lovers and above all  
His erection  
Will live in history
