You don't need to give me reasons
I understand
Somethings are best kept secrets
And you've done all you can
I wants no recompense
Just as much as you can give of yourself
And nothing else

And I'll keep it confidential
It's secrets, confidential
It may come as some surprise
But I can stay secret from prying eyes
So don't worry, I'll keep this confidential
Between you and me

Go on tell me that you love me
Show me you dare
We may not venture out in public
At least I know, you care
It can't be guaranteed
Just as much as you can give of yourself
That's all I need

And I'll keep it confidential
It's secrets, confidential
It may come as some surprise
But I can stay secret from prying eyes
So don't worry, I'll keep this confidential
Between you and me

Stay secret
So secret

You play some silly games
And if everyone knew about us I'd feel no shame

But I'll keep its confidential
It's secrets, confidential
It may come as some surprise
But I can stay secret from prying eyes
So don't worry, I'll keep this confidential
Between you and me

Between you and me
