=====

(Aaaah, Aaaah, Ooooh)

(Aaaah, Aaaah, Aaaah)

Now, my head is spinning

At the back of my mind, I think I'm winning

I was somebody falling for one who was not

Somebody tired of dreaming

Now its already dawning that this time I've got

Someone who won't leave me feeling...

Disappointed, once more

Disillusioned, encore

I couldn't love you, for sure

See how I'm disappointed, ah

Disenchanted, once more

Disillusioned, encore

I couldn't love you, for sure

See how I'm disappointed at all

Listen, as you call my name

Just one syllable said, then spoken once again

>From the sound of your voice, the promise you make

You're somebody I can believe in

Someone who won't leave me feeling...

Disappointed, once more

Disillusioned, encore

I couldn't love you, for sure

See how I'm disappointed, ah

Disenchanted, once more

Disillusioned, encore

I couldn't love you, for sure

See how I'm disappointed at all

At the back of my head

I believe what you said

Dreaming

Disappointed, once more

Disillusioned, encore

I couldn't love you, for sure

See how I'm disappointed, ah

Disenchanted, once more

Disillusioned, encore

I couldn't love you, for sure

See how I'm disappointed at all

(Aaaah, Aaaah, Aaaah, Ooooh)
