(What does it mean?)

(What are you doing in San Francisco?)

(Get out of here and take this case with you)

(What does it mean?)

(What are you doing in San Francisco?)

I'm an artist, honey, you'll see me sometimes  
Making crazy pictures out of music and rhymes  
Costume changes performed with poise  
Dancing in formation with a couple of boys  
I take them on the road with my reel-to-reels  
I'm an artist, honey, you know how that feels?

It's the greatest show with the best effects  
Since Disco-Tex and the Sexelettes  
It's the greatest show with the best effects  
Since Disco-Tex and the Sexelettes

(What does it mean?)

It's all about wonder, the power to be  
Like thunder expressing electricity

It's the greatest show with the best effects  
Since Disco-Tex and the Sexelettes

Disco-Tex and the Sexelettes

Disco-Tex and the Sexelettes

Call it performance, call it art  
I call it disaster if the tapes don't start

I've put all my life into live lip-sync  
I'm an artist, honey, you gonna get me a drink?

It's the greatest show with the best effects  
Since Disco-Tex and the Sexettes
