David Bowie - Hallo Spaceboy (Pet Shop Boys remix)
(Bowie/Eno)

[DB = David Bowie

NT = Neil Tennant

D+N = David & Neil]

DB: (If I fall, moondust will cover me, moondust will
cover me...

If I fall, moondust will cover me

If I fall, moondust will cover me)

Spaceboy, you're sleepy now

Your silhouette is so stationary

You're released, but your custody calls

And I wanna be free

Don't you wanna be free?

Do you like girls or boys?

It's confusing these days

But moondust will cover you

Cover you

D+N: So bye bye love

Yeah, bye bye love

Hallo spaceboy

DB: This chaos is killing me

Hallo spaceboy

NT: (Spaceboy, spaceboy, spaceboy

Hallo)

DB: (Moondust will cover me)

NT: Ground to Major, bye bye Tom

DB: This chaos is killing me

NT: Dead the circuit, countdown's wrong

DB: This chaos is killing me

NT: Planet Earth, is control on?

DB: So sleepy now

NT: Do you wanna be free?

Don't you wanna be free?
