So my baby's on the road  
Doing business, selling loads  
Charming everyone there  
With the sweetest smile

(Chorus)

Oh tonight, I miss you  
Oh tonight, I wish you  
Could be here with me  
But - I won't see you  
Till you've made it back again  
Home and dry  
Home and dry

There's a plane at JFK  
To fly you back, from far away  
All those dark, and frantic  
Transatlantic miles

(Chorus)

Oh tonight, I miss you  
Oh tonight, I wish you  
Could be here with me  
But - I won't see you  
Till you've made it back again  
Home and dry  
Home and dry

Far away  
Through night and day  
You fly long haul, tonight  
Come to me  
You know, I'll be here  
When you call tonight

(Chorus)

Oh tonight, I miss you  
Oh tonight, I wish you  
Could be here with me  
But - I won't see you  
Till you've made it back again  
Home and dry
