I don't know whether
I'll love you much longer
I don't know whether
Whether I can
But feeling like this on a hot summer's night
I'm cold and I'm tired and I've tried to
But I can't say goodnight
And I don't know whether
I need you so badly
I don't know if ever
If ever I did
But feeling like this on a hot summer's night
The wind in our eyes, and I'm crying
'Cause I can't say goodnight
I can't say goodnight
I can't say goodnight
And I can't help thinking
What we tried to prove
Though we may be sinking
At least we saw it all through
And I don't know whether
I'll love you much longer
I don't know whether
Whether I can
But feeling like this on a hot summer's night
I need you beside me, believe me
'Cause I can't say goodnight
I can't say goodnight
I can't say goodnight
Can't say goodnight
I can't say
Goodnight
