Did you get what you want?  
Do you know what it is? Do you care?  
Is he better than me?  
Was it your place or his? Who was there?

Did you think it was wrong?  
Do you find that it's worse than it was?  
Has it gone on too long?  
Do you mind that it hurts me?

Because you're breaking my heart

I don't know what you want  
But I can't give it any more  
I don't know what you want  
But I can't give it any more

I don't know what you want  
But I can't give it any more  
I don't know what you want  
But I can't give it any more

You're breaking my heart

Was it cracking the code  
Or just filling in time? Was that all?  
So then why'd you go back  
To the scene of the crime? Did he call?

Shall I take further blame  
Or another assault on how it was?  
Then we'll get to the fact  
That it's always my fault

Just because you're breaking my heart

I don't know what you want  
But I can't give it any more  
I don't know what you want  
But I can't give it any more

I don't know what you want  
But I can't give it any more  
I don't know what you want  
But I can't give it any more

Don't know what you want  
Don't know what you want

I don't know what you want  
But I can't give it any more  
I don't know what you want  
But I can't give it any more

I don't know what you want  
But I can't give it any more  
I don't know what you want  
But I can't give it any more

You're breaking my heart

I don't know what you want  
But I can't give it any more  
I don't know what you want  
But I can't give it any more

Don't know what you want  
Don't know what you want
