I started a joke
Which started the whole world crying
Oh but I couldn't see
That the joke was on me

And I started to cry
Which started the whole world laughing
Oh if I'd only seen
That the joke was on me

And I looked at the skies
Running my hands over my eyes
And I fell out of bed
Hurting my head

For things that I've said 'til I finally died
Which started the whole world living
Oh if I'd only seen
That the joke was on me

And I looked at the skies
Running my hands over my eyes
And I fell out of bed
Hurting my head

For things that I've said 'til I finally died
Which started the whole world living
Oh if I'd only seen
That the joke was on me
That the joke was on me
