(Ooh ooh ooh oh oh Ooh ooh ooh oh oh)
I heard what you said, and I can tell you it's true
I heard you've said that I am crazy about you
Turn in my sleep, the bad dream is over
Think of you and shall I ever recover?
And now, I want to wake up
How I want to wake up (wake up, wake up)
Why do you treat me the way you do
It must be mean to watch me play the fool
Sometimes I feel I want to run away
This is a nightmare, baby, and I can't escape
I stood at the kitchen-sink, my radio played
Songs like "Tainted Love" and "Love Is Strange"
As I listened and the words hit my ears
I cried sudden tears
Now, I want to wake up
How I want to wake up
Wake up
Why do you treat me the way you do
It must be mean to watch me play the fool
Sometimes I feel I want to run away
This is a nightmare, baby, and I can't escape
Why do you treat me the way you do
It must be mean to watch me play the fool
Sometimes I feel I want to run away
This is a nightmare, baby, and I can't escape

All my life
All my life
(Ooh ooh ooh oh oh Ooh ooh ooh oh oh)
(Ooh ooh ooh oh oh Ooh ooh ooh oh oh)
(Ooh ooh ooh oh oh Ooh ooh ooh oh oh)
(Ooh ooh ooh oh oh Ooh ooh ooh oh oh)

Play with fire, play with guns
It's easy to impress someone
Turning in my sleep, you called me fool
To fall in love, is it so uncool?
Now, I want to wake up
How I want to wake up (wake up)
Now, I want to wake up
How I want to wake up
I want to wake up
(Ooh ooh ooh oh oh Ooh ooh ooh oh oh)
I want to wake up
I want to wake up
(Ooh ooh ooh oh oh Ooh ooh ooh oh oh)
I wanna wake up
I wanna wake up
I wanna wake up
I wanna wake up
I wanna wake up
I wanna wake up
I wanna wake up
I wanna wake up
I want to wake up
I want
I want
I want to wake up
I want to wake up
I want
Ooh I want to wake up
Ooh I want to wake up
I want to wake up
I want
I want
I want to wake up
I want to wake up
I want
Ooh I want to wake up
Ooh I want to wake up
I want to wake up
I
Wanna wake up
With you
Ooh I, Ooh I, Ooh I, Ooh
