I wouldn't normally do (do do do)
I wouldn't normally do (do do do)
There is no long countdown
I wouldn't normally do (do do do)
There is no backup
Now or never, here it comes

(People say I'm crazy)
(People say I'm crazy)
(People say I'm crazy)

Ask me why,
I say it's most unusual
How can I even try to explain
Why today I feel like dancing
Singing like lovers sing
I wouldn't normally do
I wouldn't normally
I wouldn't normally do
I wouldn't normally

Ask me when,
I say it started when I met you
And ever since then I knew that the past couldn't last
For right now, I think I'm running
A race that I know I'm gonna win
I wouldn't normally do
I wouldn't normally
I wouldn't normally do
I wouldn't normally

I wouldn't normally do (even try)
I wouldn't normally do (even try)

(I feel like dancing)
(I feel like dancing)

I wouldn't normally do (why today)
I wouldn't normally do (why today)

(I feel like dancing)

(I feel like dancing)
(I feel like dancing)
(I feel like dancing)
(I feel like dancing)
(I feel like dancing)
There is no long countdown
There is no backup
Now or never, here it comes

I wouldn't normally do
I wouldn't normally
I wouldn't normally do I wouldn't normally
