"If Love Were All Yesterday When I Was Mad"

I believe in doing what I can
In crying when I must
In laughing when I choose

Hey ho if love were all
I should be lonely

I believe the more you love a man
The more you give your trust
The more you're bound to lose
Although when shadows fall
I think if only
Somebody splendid really needed me
Someone affectionate and dear
Cares would be ended if I knew that he
Wanted to have me near
But I believe that since my life began
The most I've had is just a talent to amuse
Hey ho if love were all
Hey ho if love were all
