Your life's a mystery  
Mine is an open book  
If I could read your mind  
I think I'd take a look

I don't care, baby  
I'm not scared

What have you got to fight?  
What do you need to prove?  
You're always telling lies  
And that's the only truth

I don't care, baby  
I'm not scared

Tonight, the streets are full of actors  
I don't know why  
Oh, take these dogs away from me  
Before they, they bite

What have you got to say  
Of shadows in your past?  
I thought that if you paid  
You'd keep them off our backs

But I don't care, baby  
I'm not scared

What have you got to hide?  
Who will it compromise?  
Where do we have to be  
So I can laugh and you'll be free?

I'd go anywhere, baby  
I don't care  
I'm not scared

I don't care, baby  
I'm not scared

Tonight, the streets are full of actors

I don't know why  
Oh, take these dogs away from me  
Before they, they bite

Tonight, I fought and made my mind up  
I know it's right  
I know these dogs still snap around us  
But I can, I can fight

If I was you, if I was you  
I wouldn't treat me the way you do  
If I was you, if I was you  
I wouldn't treat me the way you do, you

If I was you, if I was you  
I wouldn't treat me the way you do  
If I was you, if I was you  
I wouldn't treat me the way you do, you

I'm not scared, baby  
I don't care  
I'd go anywhere, baby  
I'm not scared

I'm not scared  
Oh, I'm not scared
