Zazoo, what you're gonna do?  
There's a lot of people gunning for you  
Zazoo, comment allez-vous?  
A knock on the door in the night  
That Zazoo, he don't care  
Dark glasses, long hair  
Takes his time, sneers at men  
Some ugly people want revenge  
Zazoo, comment allez-vous?  
A knock on the door in the night (In the night)  
In the night (In the night)  
That Zazoo, he sleeps all day  
Then down to select all the call they say  
Sips his drinks, orders more  
Says what he thinks and it's a crazy war  
Zazoo, what you're gonna do?  
A knock on the door in the night  
(In the night In the night ...)  
Zazoo, comment allez-vous?  
A knock on the door in the night (the night the night)  
And when the soldiers strut, all he cares about  
Is love  
When the flags are out, all he cares about  
Is love  
Well, there's a thin line between love and crime  
And in this situation  
A thin line between love and crime and -  
  
Collaboration (-ration)  
In the night  
(In the night In the night In the night In the night ...)  
(Wrong Wrong Wrong Wrong Wrong Wrong Wrong Wrong  
Wrong Wrong Wrong Wrong Wrong  
Wrong Wrong Wrong Wrong Wrong Wrong Wrong  
Wrong  
Wrong Wrong Wrong Wrong Wrong ...)  
In the night (In the night In the night)  
In the night (In the night In the night)  
Zazoo, what you're gonna do?  
There's a lot of people gunning for you  
Zazoo, comment allez-vous?  
A knock on the door in the night

Now everybody's under somebody's spell  
Unless they've already gone to hell  
In the streets you can hear the people say  
That, Zazoo, you should be locked away!  
When the soldiers strut, all he cares about  
Is love  
Oh, when the flags are out, all he cares about  
Is love  
And there's a thin line between love and crime  
And in this situation  
A thin line between love and crime and  
Collaboration
