Christmas is not all it's cracked up to be
Families fighting around a plastic tree
Nothing on the TV that you'd want to see
And it's hardly ever snowing the way it's meant to be

Like in White Christmas year after year
Bing Crosby, Bing Crosby, are you listening to me?

It doesn't often snow at Christmas
The way it's meant to do
But I'll still have a glow at Christmas
Because I'll be with you

The Christmas message was long ago lost
Now it's all about shopping and how much things cost
It's meant to be goodwill as well as synthetic fun
What is this year's festive number one?

It doesn't often snow at Christmas
The way it's meant to do
But I'll still have a glow at Christmas
Because I'll be with you

It doesn't often snow at Christmas
The way it's meant to do
But I'll still have a glow at Christmas
Because I'll be with you

It doesn't often snow at Christmas
The way it's meant to do
But I'll still have a glow at Christmas
Because I'll be with you

It doesn't often snow at Christmas
The way it's meant to do
But I'll still have a glow at Christmas
Because I'll be with you

Merry Christmas and a happy New Year
