(Void)

(It's alright)

(It's alright)

I can hear it

(Alright Alright Alright Alright)

(Alright Alright Alright Alright)

Dictation being forced in Afghanistan

Revolution in South Africa taking a stand

People in Eurasia on the brink of oppression

I hope it's gonna be alright

I hope the music plays forever

(For it goes on and on and on and on)

Yeahah

I hope it's gonna be alright

(Alright Alright Alright Alright)

Generations will come and go (will come and go)

But there's one thing for sure

Music is our life's foundation

And shall succeed all the nations to come

Yeahah

I hope it's gonna be alright

'Cause the music plays forever

(For it goes on and on and on and on...)

(Yeahah)

I hope it's gonna be alright

(On and on and on...)

'Cause the music plays forever

(For it goes on and on and on and on and on and on and on and on)

The year three thousand may still come to pass

But the music shall last

I can hear it on a timeless wavelength

Never dissipating but giving us strength

I hope it's gonna be alright
