Lawrence in the desert  
How was he to know  
Under so much pressure  
From the men back home?

Play with fire, you must be mad  
Are you only Jack the Lad?  
Play with guns, you must be bad  
Or hiding something, Jack!

Telling lies in public  
Breaking codes at home  
Underneath the blankets  
For another role

Tell these lies, you must be mad  
Are you only Jack the Lad?  
To feast with panthers every night  
You must be careful, Jack!

Don't let them try to restrain you  
This is your only religion  
Don't let them try to detain you  
You're not the only fool

We all fall, even Jack the Lad  
We all fall, even Jack the Lad  
Will fall

Philby in the desert  
Looking for a phone  
Waiting on the pavement  
For a call from home

Play with fire, you must be mad  
Are you only Jack the Lad?  
Turn your back on friends you had  
They must have hurt you, Jack!

Don't let them try to restrain you  
This is your only religion  
Don't let them try to detain you

You're not the only fool

We all fall, even Jack the Lad  
We all fall, even Jack the Lad

Don't let them try to restrain you  
This is your only religion  
Don't let them try to detain you  
You're not the only fool

We all fall, even Jack the Lad  
We all fall, even Jack the Lad  
Will fall
