Small man, big world  
Lost beyond the pale  
I know you inside out  
I can tell the tale

Across the sky the change of time  
Last night I lost all day  
I'm here and there or anywhere  
Away from Manderley

And if I were the king of Rome  
I couldn't be more tragic  
My fate to roam so far from home  
In search of mindless magic

Oh baby come back  
Oh baby come back to me  
The desert moon, a new lagoon  
We glide upon the surface  
Night falls fast, no shadows cast  
Arriving without purpose

Oh baby call me  
Oh baby call me today

And if I were the king of Rome  
I couldn't be more lonely  
With so much scope to dream and hope  
Someday you'll deign to phone me

Oh baby call me  
Oh baby call me today

I long for your inscrutable pale face  
I hunger for your beautiful embrace
