Sooner or later this happens to everyone
to everyone.
you can live your life lonely
heavy as stone

Live your life loving and working alone.
Say this is all you want
but I don't believe that it's true

'Cause when you least expect it

waiting 'round the corner for you.

Love comes quickly whatever you do
you can't stop falling.
Love comes quickly whatever you do
you can't stop falling.

You can live a life of luxury
if that's what you want.
Taste forbidden pleasures
whatever you want.
You can fly away to the end of the world
but where does it get you to?
'Cause just when you least expect it
just what you least expect.

Love comes quickly whatever you do
you can't stop falling.
Love comes quickly whatever you do
you can't stop falling.

I know it sound ridiculous
but speaking from experience

It may sound romantic
and that's no defence -
Love will always get to you.
Sooner or later
sooner or later this happens to everyone
to everyone.

You can fly away to the end of the world

but where does it get you to?

Love comes quickly whatever you do
you can't stop falling.

Love comes quickly whatever you do
you can't stop falling.

Love comes quickly whatever you do
you can't stop falling.

Love comes quickly whatever you do
you can't stop falling.

Love comes quickly whatever you do
you can't stop falling.
