MINIMAL, minimal, minimal
MINIMAL, minimal, minimal

White on white, light, sublime, subliminal
The void is clean, a cell but not for a criminal

Light and shade, time and space
MINIMAL, minimal, minimal
MINIMAL, minimal, minimal

Draw a line, more is less, is minimal
Form earth, life decide something less decisional

Light and shade, time and space
MINIMAL, minimal, minimal
MINIMAL, minimal, minimal

An empty box, an open space
A single thought leaves a trace

An empty box, an open space
A single thought leaves a trace

Light and shade, time and space
MINIMAL, minimal, minimal
MINIMAL, minimal, minimal

MINIMAL, minimal, minimal
MINIMAL, minimal, minimal
