This is no time for tears
Though our hearts are bleeding
One for all and all for one for freedom

A bird flies across the sea
Free as his brother, where is the freedom
We've been dreaming of for so long?

Oh, brother, waiting is so long
Life is soon over, it can't be wrong
To cast off chains that still bind us
Let death remind us we can be strong

Sister, don't let me down, please, don't forsake me
One for all and all for one for freedom, today
One for all and all for one means freedom, today
