=====

When I go fishing with my rod  
I often get that need  
To fall asleep, and sleep so deep that  
No-one notices me

Don't want anyone to know my name  
Don't want to get a fax  
Don't want to meet the Royal Family  
Just 'cause I pay my tax

Don't wanna be seen on earth  
Don't want to shout out loud  
I want to be part of the herd  
One of the crowd

Dressing individually doesn't impress me  
Nothing that ain't pathetic  
Following fashion, I just find it  
Dull time

Don't wanna be seen on earth  
Don't want to shout out loud  
I want to be part of the herd  
One of the crowd

(One of the crowd)  
(One of the crowd)

Fishing  
Fishing

I never fight, almost every night  
I think it's gonna be alright  
I think 'bout that; thinking's right of  
Every - thing

Don't wanna be seen on earth  
Don't want to shout out loud  
I want to be part of the herd  
One of the crowd

One of the crowd  
One of the crowd  
One of the crowd  
One of the crowd

One of the crowd

(One of the crowd)  
Fishing  
(One of the crowd)  
Fishing
