(Money)

I've had enough of scheming and messing around with jerks

My car is parked outside, I'm afraid it doesn't work

I'm looking for a partner, someone who gets things fixed

Ask yourself this question: Do you want to be rich?

I've got the brains, you've got the looks

Let's make lots of money

You've got the brawn, I've got the brains

Let's make lots of money

You can tell I'm educated, I studied at the Sorbonne

Doctorate in mathematics, I could have been a don

I can program a computer, choose the perfect time

If you've got the inclination, I have got the crime

Oh, there's a lot of opportunities

If you know when to take them, you know?

There's a lot of opportunities

If there aren't, you can make them

Make or break them

I've got the brains, you've got the looks

Let's make lots of money (Oooooooh)

You've got the brawn, I've got the brain

Let's make lots of money

(Money Money Money)

Money (Money Money)

(Aaaah ah ah ah ah aaaah)

Money (Money)

(Aaaah ah ah ah ah aaaah - Di du da di da bu di ba)

(Money)

You can see I'm single-minded, I know what I could be

How'd you feel about it, come and take a walk with me?

I'm looking for a partner, regardless of expense

Think about it seriously, you know, it makes sense

Let's (Got the brains)
Make (Got the looks)
Let's make lots of money (Oohh money)
(Let's) You've got the brawn
(Make) I've got the brain
Let's make lots of money (Oohh money)
I've got the brains (Got the brains)
You've got the looks (Got the looks)
Let's make lots of money (Oohh money)
