Psychological

You've got a problem
With the reason why
An asymmetric haircut
And a painted eye

It's psychological
Psychological

Is it a cry for help
Or call to arms?
Frustration
False alarms

It's psychological
Psychological
All in the mind

There's something in the attic
And it smells so bad
An undertaker
In a bowler hat
Psychological

What's that spilt
On the kitchen floor?
Who's that knocking
On the cellar door?

It's psychological
Psychological

Or is it only your imagination?
Driving me crazy, crazy
Baby, baby, please

It's psychological
All in the mind

I thought I heard a baby cry
I thought I heard a train

Down in the cemetery
Cellophane

It's second nature to you
Psychological
All in the mind

Psychological
Psychological
All in the mind

Psychological
Psychological
Psychological
All in the mind
