Somebody's life

He loves her
But he sometimes thinks she's crazy
Laughing
The next minute mad
And saying
'I think you're wasting my time'
Crying
Then changing her mind

She's screaming and shouting
And everything's blinding
She's laughing out loud
And busy 'cause she's minding
Somebody else's business
Somebody else's business
Somebody's life

She suffers
From such violent mood swings
He says
They disagree
He loves her
And life is never boring
Some say
It's just being free

She's screaming and shouting
And everything's blinding
She's laughing out loud
And busy 'cause she's minding
Somebody else's business
Somebody else's business
Somebody's life
